Celebrate Silver Anniversary

On Saturday evening, April 18, more than a hundred friends and neighbors gathered in Hedley's hall to celebrate the 25th wedding anniversary of Mr. and Mrs. James Jackson.

Mr. and Mrs. Jackson were brought into town by Mr. Charlie Walker who had promised to take them to the show in Wainwright, but on entering Irma the car stopped in front of the hall which appeared to him in darkness. Mrs. Eldon Fenton met them at the door and to the strains of "For They Are Jolly Good Fellows" played by Mrs. C. Pyle at the piano, they were escorted to the seat of honor. The hall had been beautifully decorated with pink and white streamers and wedding bells and a table laid with a white linen cloth was centered with a lovely 3 tiered wedding cake.

Mr. Clifford Smallwood very ably acted as master of ceremonies and the program opened by all singing O Canada. Miss Doreen Simmermon with Shirley Mae Brown at the piano, then gave a fine solo and Mrs. E. Prosser conducted an interesting contest. The Archibald sisters gave a very appropriate duet and Mrs. J. C. McLean followed with an amusing reading on "Curling." Mrs. Dempsey then conducted a contest which had been prepared by Mrs. Gunn.

One of the more important events of the evening was a song composed by Mrs. Hurst and sung by all present to the tune of "Far Away Places." This was made especially enjoyable when Mr. Jackson explained how certain matters it referred to had taken place.

After this the following silver presentations were made.

Mrs. Tomkinson on behalf of the Strawberry Plains W.I. presented Mrs. Jackson who is the W.I. Treasurer with a beautiful round silver tray.

Mrs. Reber acting for the LOBA presented a silver cream and sugar set and Mrs. Fenton representing the Lodge Sisters presented a silver tea pot. Mr. C. Smallwood on behalf of the community presented Mr. and Mrs. Jackson with a purse of money. The guests of honor both expressed their gratitude to everyone and thanked them all for the lovely gifts. A bountiful lunch was then served and the gathering closed with God Save The Queen.

The LOBA and the Strawberry Plains W.I. are most thankful to all and sundry for the help received to make this occasion a success.

Wedding Bells

BROWN — RAMSAY
Irma United Church was the scene of a lovely wedding on April 10 when Lonnelle Genevieve, elder daughter of Mr. and Mrs. W. E. Ramsay of Irma was united in marriage to Lloyd Ernest, the youngest son of Mr. and Mrs. Brown of Edmonton.

The double ring ceremony was performed by Rev. Inglis before an altar decorated with pink and white streamers and potted plants.

The bride entered the church on the arm of her father. She was lovely in a gown of white satin with net over skirt and front of matching chapel veil. Queen Anne lace. The collar was of Queen Anne lace. The long sleeves were accented by lily points. Her chapel veil was high lighted by a pearl coronet. Her bouquet was a cascade of roses encircling a little white Bible.

The bride was preceded into the church by her little sister, Marlene who wore a floor length gown of white taffeta which featured a tiered skirt and peter pan collar. The maid of honor, Miss Jean Babelik, a close friend, wore a yellow brocade taffeta with net overskirt. Her matching chapel veil was held in place by a floral coronet. The bridesmaid Miss Dorothy Brown, wore a gown of the same style in pale green. Each attendant carried colonial bouquets of roses.

The groom was supported by Mr. Elvin Thomas of Edmonton and the church by Andrew Ploker. The guests were ushered to the pew by Mr. Almon Archibald and Mr. Ernest Emmott, cousins of the bride. The wedding music was played by Miss Vivian Archibald and during the signing of the register Misses Colleen and Irene Archibald sang "I Love You Truly."

Following the ceremony a reception was held in the church bachelorette party.

To receive the guests the bride's mother chose a navy crepe, with pink accessories and corsage of pink and white carnations. The groom's mother wore a dark beige suit with red accessories and corsage of pink and white carnations. Mrs. Peterson, grandmother of the bride chose royal blue lace adorned with a rose corsage. The bride's maternal grandmother Mrs. W. D. Ramsay wore navy crepe with rose corsage.

The bride's table was laid with lace and centred by a three-tiered wedding cake flanked by vases of roses.

Mr. D. Gunn proposed the toast to the bride to which the groom fittingly replied. A telegram of good wishes was read from Mr. and Mrs. McLeod.

The bride and groom left on a honeymoon to the coast. For traveling the bride wore a pale yellow suit with mauve accessories and corsage of gardenias.

Out of town guests were Mr. and Mrs. Leo Brown, Miss Kay Brown, Mr. and Mrs. C. Brown and Leena, Mrs. Art Peterson, Mr. and Mrs. J. Peterson and Elaine, Mr. R. Russell of Edmonton Mr. and Mrs. E. Hennig and Mr. and Mrs. C. Hennig of Devon and Spruce Grove. Mr. and Mrs. R. W. Hay, Mr. and Mrs. D. McKenzie, Mr. and Mrs. A. Emmott of Mannville.

Last Rites Held For Mrs. L. King

Irma folk gathered at the United Church on Thursday, April 9 to pay their last respects to Mrs. Lottie Isobel King who passed away in an Edmonton hospital on Monday, April 6.

Mrs. King was born in Halton Co., Ont. 82 years ago and came to the Irma district with her husband and family in 1910 where they farmed until 1925. Mr. and Mrs. King then built a house in Irma and resided there until Mr. King's death in 1933.

During those years Mrs. King with her husband was active in every good work to further the welfare of the community. Her assistance with church work and as church organist was much appreciated here.

After Mr. King's decease, Mrs. King moved to Edmonton and remained there until her passing. She is survived by two sons, Lance of Irma and Cecil of Regina, one brother and one sister, 13 grandchildren and 20 great grandchildren.

Funeral services were held from the Irma United Church at 2 p.m. on Thursday, April 9 with the Rev. H. W. Inglis officiating. The pallbearers were her grandsons, Rev. King, Harold King, John King, Bill King, Sam Holt and Ray Thompson. Interment was in the Irma cemetery.

Floral tributes were received from Lance, Helen and family; Ray, Mildred and family; Sam, Mary and family; Cecil, Clara, Caroline, George, Isobel, Margaret, Walter, Betty and Earl; W. A. King; Mr. and Mrs. P. E. Jones; Mr. and Mrs. C. P. Jones and family; Dorothy and Russell; John, Ruth and girls of Burlington, Ont.

IMPORTED

...So what?

Side by side on the merchant's shelves—Canadian materials and "imported" goods. Do you get any advantage when you go for "imported" products?

In textiles, at least, the answer is simple. Canadian mills turn out fabrics and yarns that match or better the production of any other textile country of the world in quality.

They are made by Canadians who are paid good Canadian wages; they are designed to please Canadian tastes, meet Canadian needs.

This is no plea to shun "imported" materials. They should be considered along with domestic products by every Canadian consumer, but on a strict *what-do-I-get-for-my-dollar* basis.

Ask for Canadian textiles if you want the best for your money.

Why Not Plan a Garden?

Most likely the food bill is the largest item in the budget and no one can predict how much greater it will be. You can cut your food costs considerably (and excess pounds too) by planting a garden this spring.

Why not keep a record of your food cost—and just discover for yourself how a garden can be a good investment—as did one woman.

The amount of products which were grown were listed and their cost if this same produce had been purchased at a store. FOR \$5.50 WORTH OF SEEDS, FERTILIZER and LABOR to spade the garden, the result was a total of \$71.69 worth of produce.

Hints for the Homemaker

A sweet potato in a glass of water will sprout, grow into an attractive plant. Keep one on each of your What-Not Shelves.

Incidentally—throw some of the ashes onto your potted plants before you empty the ashtrays. Ashes help promote vigorous growth and long plant-life.

Back in 1910 it took 35 man-hours to produce an acre of corn yielding 26 bushels. Today, with modern machinery, the same acre, producing 35 bushels, requires only 17 man-hours.

A want ad in this paper does big work. Now is the time to sell, trade or exchange for something else.

The LETTER BOX

Irma, Alberta,
April 22, 1953.

The Editor,

The Irma Times,
Dear Sir:—Through the Letter Box Column of the Irma Times may I say that I question the Council's assertion in the proposed By-law No. 189 that "it is in the best interests of the ratepayers of the Village of Irma" to set all or any portion of an ADDITIONAL 4.54 acres more or less of the Agricultural Grounds (more usually referred to as the "Fairgrounds.")

Cutting almost in half the original 20 acres that was set aside by the Agricultural Society for the enjoyment of all persons whether they resided in the Village or in the surrounding district, is not, in my opinion, "in the best interests."

But for the generosity of Mr. Savard allowing vehicles to come through the fence onto his property (causing damage to his pasture land, which I am informed is not for sale in order that the Fairgrounds might be extended east) there would not be sufficient parking-space. It is remarkable that death and serious injuries have not resulted from cars and pedestrians crossing each other's paths on the roadway behind the baseball diamond back-stop. Must a serious accident occur before improvements will be made?

Would it not be possible to relocate the baseball diamond so that home-plate comes in front of the hill which is west of the present centre-field position? Bleachers built into the slope of the hill would accommodate many spectators, while others could watch from inside cars parked on the crown of the hill. Cars could enter from the south through one gate onto this higher ground and follow a driveway right around between the groves of trees, for angle parking, such that any car could leave when desired through other exit gates without getting into traffic snarls.

There is ample ground, if it is not sold, in a north-westerly direction beyond the present right-field position of the baseball diamond which could easily be made into another fastball diamond and so enable holding all events on the fairgrounds and within easy view from the bleachers and refreshment booths on the hill.

This land is the best the Village has resembling a Park; one could be developed here. Picnic Tables, benches and camp stoves could be placed in the shade of trees. A shallow-well pump similar to others in this part of town would provide drinking water. In the south-west corner there is ample room for the midway on sports days. Just north of it is room for a snow-fence enclosure containing sandboxes, a wading pool, teeter-totters, slides, etc., for pre-school age youngsters who would be left in the care of a supervisor or two. The parents could then enjoy watching or playing baseball, races, miniature golf, horse shoes, lawn bowling or just listening to music from the bandstand.

These grounds can and should afford a variety of attractions and recreations such that those residents and visitors who are not interested in baseball may enjoy other games and forms of entertainment. Even hotline and model yacht races is possible on the miniature lake.

Fireworks reflections across the water would add to the display, and in due time a water fountain with colored lights would make the scene complete. In winter there could be ski trails, toboggan slides and campfire skating parties. All this can be had—not miles and hours away in some other community—but right here, with very little effort, within three blocks of downtown!

Those "get rich quick and get out" days of the old West are gone... folks are building to stay; communities now plan and provide for the welfare of their citizens today and for the future. In many localities across the land town-planning, organization and foresight bring better living. Irma would do well to provide for the present and the future also.

I do feel that when the Agricultural Grounds was set aside by the citizens of this district for the use of everyone, that it should not be sold to benefit a few individuals. As for available building lots within the Village limits—they come in all sizes, yes, right up to the large, economy 13-acres more or less size and all inside the boundaries, complete with West-end and Southern exposure.

Yours truly,
Arthur Knudson.
